Patient Information Booklet

The providers and staff of Orchard Medical Center would like to welcome you to our practice. Patient satisfaction is the commitment we make to every patient seen in our office.

We have put together a new patient information packet, which will help you to understand our policies and procedures. We want your experience here to be a pleasant and productive one. Please take a few minutes and read the enclosed information. If you have any questions regarding any our policies or processes please do not hesitate to call our office at 847-395-3322. We will be happy to assist you.

Appointments

Routine Appointments
Well child, school physicals, well women exams, and physicals should be scheduled 4-6 weeks in advance.

Follow-up Appointments
Follow-up appointments are appointments for chronic problems such as hypertension and diabetes. These appointments are scheduled in the time frame your provider indicates and should be scheduled in advance.

Nurse “Float” Appointments
If our provider or a referring physician has ordered lab tests, an EKG, an injection, etc. this is done Monday through Friday 7:30-11:00 and on Saturday 8:00-11:00. All patients must come with an order or have an order on file. Patients may not order their own labs.

Sick Appointments
Sick appointments are handled following a special protocol. Orchard Medical Center has developed a “same day” appointment protocol to meet the needs of our acutely ill patients. It is designed for the treatment of simple, acute illnesses. This would include symptoms that have arisen with the previous 24 to 48 hours. Typical “same day” problems include sore throat, cough, bladder infections, conjunctivitis (pink eye), rashes, muscle strains and sinusitis. Such conditions are considered non-life threatening, but severe enough to interfere with normal work activities or daily living. Chest pain or shortness of breath may be a symptom of a serious condition. For this reason, the best management begins with a call to 911. “Same day” appointments are limited and are given out at 8:00am. Please try to call at this time to reserve your appointment slot.
Cancellation of an Appointment

In order to be respectful of the medical needs of all our patients please be courteous and call our office promptly if you are unable to attend an appointment. This time will be reallocated to someone who is in urgent need of treatment. This is how we can best serve the needs of all our patients.

If it is necessary to cancel your scheduled appointment we require that you call 24 hours in advance. Appointments are in high demand, and your early cancellation will give another person the possibility to have access to timely medical care.

If a patient is scheduling multiple family members at the same time, the rule of the practice it to have no more than 2 family members scheduled consecutively with a provider.

How to Cancel Your Appointment

To cancel appointments you may call 847-395-3322 or send us an email via our website – www.orchardmedicalcenter.com

Late Cancellations

Late cancellations will be considered as a “no show”.

No Show Policy

A “no show” is someone who misses an appointment without canceling it 24 hours in advance. No-shows inconvenience those individuals who need access to medical care in a timely manner.

A failure to present at the time of a scheduled appointment will be recorded in our appointment scheduler as a “no show”. The first time there is a “no show”, the patient will be sent a letter alerting them to the fact that they have failed to show up for an appointment and did not cancel the appointment. If there is a second “no show”, within 1 year, a fee of $50.00 will be billed to the patient, not the insurance company and this fee is required to be paid prior to scheduling the patients next appointment. Three “no shows”, in 1 year, result in the termination from our practice.
Check-In

ID
Please provide a picture ID or your driver’s license at check-in. We will need to verify that your name matches your insurance card and the name you are checking in with. This is prevent insurance fraud or identity theft.

Insurance Cards
Insurance cards are requested at each and every office visit. This includes both office and lab appointments. Without your insurance card, we will be unable to bill your insurance company. This could result in the services being billed to YOU, the patient and long delays in payment.

Co-payments
All co-payments must be made prior to seeing any provider. This is in accordance with both your contract and our contract with the insurance company. Orchard Medical Center will not bill for any co-payment due at the time of service. If you are unable to pay at the time of service, we will be happy to reschedule your appointment for a future date. If you have any questions regarding this policy contact the customer service phone number on the back of your insurance card.
Thank you for your cooperation regarding this matter.

No Insurance
A fee is requested prior to seeing our providers. This fee is based on an average office visit charge. Additional fees may occur during your visit, please talk to our receptionist regarding the cost of these fees. All payments are due at the time of service.

Pharmacy Protocol

Prescription Refills
All prescription refill requests must be performed by your pharmacist. Please contact your pharmacy and they will fax over a refill request. Please allow 24-48 hours for all refills to be performed. We do not fill routine prescriptions on Saturday.

Controlled Substances
All controlled II substances must be on a written tamper proof paper. These can only be picked-up at our office. Orchard Medical Center will ask you to sign a release upon picking up your prescription. Orchard Medical Center also reserves the right to ask for proof of identification.

Mail-In Prescriptions
All patients are required to handle all mail-in prescriptions. We will take the medication requested, get approval from one of our providers and then call you when the prescription is ready to pick-up. Orchard Medical Center is not responsible for faxing or mailing prescriptions.
Samples
Orchard Medical Center is well aware of the cost of medications. We may provide some patients sample’s of a medication at the start of a new prescription. We regretfully can not provide samples on a monthly basis. Please contact the pharmaceutical company of your particular medication and find out if they offer any discounted programs. Our providers will be happy to write a prescription for these programs but we can not initiate the program for our patients.

Referral Protocol

To obtain a referral an Orchard Medical Center provider or referring physician must approve and/or request a referral to be written. A referral may take between 7-10 business days. This is the approximate wait time for your insurance company to authorize the referral. We can not give out referrals that have not been authorized.

It is important that you do NOT make an appointment with a specialist or for a diagnostic test prior to receiving your referral. We cannot and will not back date or retroactive any referral. If you see a specialist or have a diagnostic procedure without obtaining an authorized referral, you will be held responsible for the payment of those services. There are no exceptions.

If your appointment is urgent, and your provider has ordered an urgent referral, your referral will have first precedents over all other referrals.

HIPPA Regulations

The Orchard Medical Center providers and staff follow strict HIPPA regulations. It is important that all patients sign our HIPPA acknowledgment form. It is equally important for patients to sign a release of information form indicating who you authorize Orchard Medical Center to release information to. Please log on to the following website to view the United States Department of Health and Human Services Official site with all the HIPPA regulations. http://www.hhs.gov/ocr/hipaa/

Request of Records Transfer

A record release form needs to be completed for all records transfers. A fee will be charged on a per page/per patient request. Please contact our office to determine the cost.
Forms Fees

These are the current fees that will be charged on our frequently requested forms:

1. Routine school/work physical exam form: $25.00*
2. Handicap forms: $5.00*
3. Disability Forms: $35.00
4. Personal Letters (employment, airline, life insurance, etc. – non-excuse): $15.00
5. FMLA forms: $35.00
6. Assisted Living Forms: $15.00

* if not at time of appointment

***It is important to note that these fees are not covered by insurance and need to be paid at the time the form is submitted. We will not bill for these fees.***

Fees on forms not listed above will be determined by Provider and the patient will be notified of the cost prior to the completion of the form.

Office Hours

**Monday – Friday**
7:30 – 12:00 Nurse “float” appointments
8:00 – 1:00 & 2:00 – 5:00 Phone lines are open
9:00 – 12:30 & 2:00 – 4:30 Provider appointments available

**Saturday**
7:30 am - Phone lines are open and the first 12 “same day” appointments are granted. Our phone lines will be turned back to service after that point.
8:00 – 10:00 – Provider appointments for “same day” appointments only

**Office Closed**
Our office is closed after 5:00 pm Monday – Friday and after 11:00 on Saturdays but a physician will be available and on-call every evening and weekend. Please call our regular office # to receive information on how to contact the on-call physician.

**Holiday Closings**
Our office will be closed for all major holidays. This includes New Year’s Day, Memorial Day, Independence Day, Labor Day, Thanksgiving and Christmas Day. If Christmas Eve and New Year’s Eve fall M-F then the office is open 9-12 on those days.
Contacting the Office after Hours

Website
The office will respond to website emails only between our regular office hours. Do not leave any urgent messages on an email. Call our office and leave a message with the answering service for the physician to be paged.

When To Have The Physician Paged
The on call physician should only be contacted for emergent or urgent medical problems. Please do not contact the physician for prescription refills (unless critical), appointment scheduling or to discuss non-urgent medical issues. If the physician responds to any of these calls they will notify you to contact the office during regular business hours.

### IMMUNIZATIONS

To be completed by health care provider. Note the mo/da/yr for every dose administered. The day and month is required if you cannot determine if the vaccine was given after the minimum interval or age. If a specific vaccine is medically contraindicated, a separate written statement must be attached explaining the medical reason for the contraindication.

#### ALTERNATIVE PROOF OF IMMUNITY

1. Clinical diagnosis is acceptable if verified by physician. *(All measles cases diagnosed on or after July 1, 2002, must be confirmed by laboratory evidence.)*

2. History of varicella (chickenpox) disease is acceptable if verified by health care provider, school health professional or health official. Person signing below is verifying that the parent/guardian’s description of varicella disease history is indicative of past infection and is accepting such history as documentation of disease.
