Patient Information Booklet

The providers and staff of Orchard Medical Center S.C. would like to welcome you to our practice. Patient satisfaction is the commitment we make to every patient seen in our office.

We have put together a new patient information packet, which will help you to understand our policies and procedures. We want your experience here to be a pleasant and productive one. Please take a few minutes and read the enclosed information. If you have any questions regarding any of our policies or processes please do not hesitate to call our office at 847-395-3322. We will be happy to assist you.

Appointments

Routine Appointments
Well child, school physicals, well women exams, and physicals should be scheduled 4-6 weeks in advance. Appointment requests can be made by visiting our website patient portal.

Follow-up Appointments
Follow-up appointments are appointments for chronic problems such as hypertension and diabetes. These appointments are scheduled in the time frame your provider indicates and should be scheduled in advance, or at check out.

Sick Appointments
Sick appointments are handled following a special protocol. Orchard Medical Center S.C. has developed a “same day” appointment protocol to meet the needs of our acutely ill patients. It is designed for the treatment of simple, acute illnesses. This would include symptoms that have arisen with the previous 24 to 48 hours. Typical “same day” problems include sore throat, cough, bladder infections, conjunctivitis (pink eye), rashes, muscle strains and sinusitis. Such conditions are considered non-life threatening, but severe enough to interfere with normal work activities or daily living. Chest pain or shortness of breath may be a symptom of a serious condition. For this reason, the best management begins with a call to 911. “Same day” appointments are limited and are given out at 8:00am. Please try to call at this time to reserve your appointment slot.
Lab/Immunization/Injection Appointments
If our provider or a referring physician has ordered lab tests, an EKG, an injection, etc. this is done Monday through Friday 8:00am-12:20pm and on Saturday 8:00am-11:00am. All patients must come with an order or have an order on file. Patients may not order their own labs.

Cancellation of an Appointment
In order to be respectful of the medical needs of all our patients please be courteous and call our office promptly if you are unable to attend an appointment. This time will be reallocated to someone who is in urgent need of treatment. This is how we can best serve the needs of all our patients.
If it is necessary to cancel your scheduled appointment we require that you call 24 hours in advance. Appointments are in high demand, and your early cancellation will give another person the possibility to have access to timely medical care.
If a patient is scheduling multiple family members at the same time, the rule of the practice it to have no more than 2 family members scheduled consecutively with a provider.

How to Cancel Your Appointment
To cancel your appointment please call 847-395-3322. If it is after hours you may leave your cancellation message with our answering service.

Late Cancellations
Late cancellations will be considered as a “no show”. Please see the “No Show Policy” below.

No Show Policy
A “no show” is someone who misses an appointment without canceling it 24 hours in advance. A failure to present at the time of a scheduled appointment will be recorded in our appointment scheduler as a “no show”. The first offense there is a “no show”, the patient will be sent a letter alerting them to the fact that they have failed to keep their appointment and did not cancel the appointment. If there is a second offense within a 12 month period, a fee of $50.00 will be billed to the patient, not the insurance company and this fee is required to be paid prior to scheduling the patients next appointment. A third offense in a 12 month period would result in the dismissal from our practice.
Check-In

ID
Please provide a picture ID or your driver’s license at check-in. We will need to verify that your name matches your insurance card and the name you are checking in with. This is to prevent insurance fraud or identity theft.

Insurance Cards
Insurance cards are requested at each and every office visit. This includes both office and lab appointments. Without your insurance card, we will be unable to bill your insurance company. This could result in the services being billed to you.

Co-payments
All co-payments must be made prior to seeing any provider. This is in accordance with both your contract and our contract with the insurance company.

Pharmacy Protocol

Prescription Refills
All prescription refill requests must be performed by your pharmacist. Please contact your pharmacy and they will fax over a refill request. Please allow 24-48 hours for all refills to be performed. We do not fill routine prescriptions on Saturday or after hours.

Controlled Substances
All controlled II substances must be written on a tamper proof Rx. These can only be picked-up at our office. Orchard Medical Center S.C. will ask you to sign a release upon picking up your prescription. Orchard Medical Center S.C. also reserves the right to ask for proof of identification.

Mail-In Prescriptions
All patients are required to process their own mail-in prescriptions. We will obtain the medication requested, receive approval from one of our providers and call you when the prescription is ready to be picked-up. Orchard Medical Center S.C. is not responsible for faxing or mailing prescriptions.

Samples
Orchard Medical Center S.C. is well aware of the cost of medications. We may provide some patient’s samples of a medication at the start of a new prescription. We regretfully can not provide samples on a monthly basis. Please contact the pharmaceutical company of your particular medication and find out if they offer any discounted programs. Our providers will be happy to write a prescription for these programs but we can not initiate the program for our patients.
HMO Referral Protocol

To obtain a written referral from Orchard Medical Center S.C. we must have an order from your referring or ordering provider. Please allow 7-10 business days to process your referral. We can not process referrals that have not been authorized.

It is important that you do NOT make an appointment with a specialist or for a diagnostic test prior to receiving your referral. We are prohibited from issuing back dated or retroactive referrals of any type. If you see a specialist or have a diagnostic procedure without obtaining an authorized referral, you may be held responsible for the payment of those services. If your appointment or test is urgent, and your provider has ordered an urgent referral, our referral department will expedite this referral request.

HIPPA Regulations

The Orchard Medical Center S.C. providers and staff follow strict HIPPA regulations. It is important that all patients sign our HIPPA acknowledgment form. It is equally important for patients to sign a release of information form indicating who you authorize Orchard Medical Center S.C. to release information to. Please log on to the following website to view the United States Department of Health and Human Services Official site with all the HIPPA regulations.
